

Jonathan Griffith -- CBA Alberta Board of Directors 2026 - 2028

You first entrusted me with the privilege of serving on the Canadian Bar Association – Alberta Board of Directors in 2024. I am now seeking your support to serve a second term.

In my role as a Director, I was honored to be a part of multiple initiatives including, but not limited to:

- CBA AB Leadership Committee
- CBA AB Legislative Review Committee
- Advocacy Initiatives
- CBA Engagement with the AB Government; and
- Improving membership engagement by researching ways to improve CBA services

In addition to my service on the Board, I have been an active and engaged member of the Canadian Bar Association. I currently serve as Chair of the CBA National Ethics and Professional Responsibility Sub-Committee and as the CBA Chair of the organizing committee for the Annual CBA/FLSC/CALE Ethics Forum. I served on the Executive Committee for both National and Provincial branches of the SADGA sections from 2019 – 2024 and was Chair of the National Section from 2021 – 2022.

My work with our Board is further enhanced with other skills and experience. I am a Practice Advisor and Equity Ombudsperson with the Law Society of Alberta and, prior to joining the Law Society of Alberta, I was in private practice as a lawyer, mediator and arbitrator for 11 years. I also teach as an Adjunct Professor at the University of Calgary, Faculty of Law.

If elected to the board for a second term, I intend to continue my work to enhance our profession. I hope to assist the CBA with an upcoming project aiming to encourage greater civility within our profession, represent important interests on CBA committees and at the board level, and continue to seek opportunities to improve the delivery of CBA services to our membership.

I would be grateful your support for my candidacy for my second term on the Canadian Bar Association Alberta Board of Directors. I would be pleased to discuss my experience or my priorities with any of you. Please contact me if you have any questions or if you would like to discuss any of the above in greater detail.
